# MERCY FLOWS, LOVE REDEEMS

---

Dear Parishioners and Friends,

## IT ALL BEGINS WITH BAPTISM

Our life of faith begins with our baptism. With that first sacrament of initiation we become members of the Body of Christ and share in the very life of the God who created each of us out of unconditional love. That unconditional love frees us from original sin and incorporates us into a community of faith that has endured throughout the centuries. In the midst of scandals and divisions, our baptism unites us as one. It's the sacrament of unity in that all who are validly baptized using water in the Name of the Father, and of the Son, and of the Holy Spirit, are all one in Christ. All of our sisters and brothers validly baptized in another Christian denomination are united with us as members of the Body of Christ! That's why those who discern to become Roman Catholics from another denomination have no need to be baptized again... they're already one with us in baptism!

And so, while I celebrated my 60th birthday this past July 15, I also celebrated the 60th anniversary of my baptism this past Friday, July 30th! And how beautiful it is for me knowing that my parents and godparents are all in heaven helping me, trying to be the good disciple I'm supposed to be.

May we never forget the dignity bestowed on us as children of God in our baptism. And may we live that dignity out by loving God and everyone else, without condition, without exception!

## REMEMBER TO COME AND SHOW OUR SUPPORT FOR OUR SEMINARIANS

Several young men have responded to the call of God to discern their vocation as future priests. They are gifts to us from God! So, please join us on **Monday, August 16th** for the **Diocese of Las Vegas Mass of Sending Forth for our Seminarians**, right here at SEAS. The **Mass begins at 6:00PM** and is followed by a reception where we can meet and greet all of our seminarians and the new ones beginning their journey.

Your presence at this Mass means so much to our seminarians. Seminary life is not easy, but it's definitely worth it. From my own days in the seminary, it was reassuring knowing how many people were supporting us in prayer. So, please join us in two weeks when we, as a parish family, have the privilege

and honor of hosting this great event for our Diocese. Hope to see you there!

## VACATION MEMORIES

What a joy to be with family and friends these past two weeks! My brother and sister-in-law, Lenny and Ede, were surprised when I showed up for their 50th Wedding Anniversary party! It was planned all along, but I had to be careful about what I said in my previous bulletin letter so I wouldn't let the "cat out of the bag!" It worked.

The time away, however, wasn't enough to see everyone I would have liked to see. You know how it is...there's just never enough time to accomplish everything. But, I keep on hearing the words of St. Francis of Assisi: "Brothers (and sisters), while we have time, let us do good!"

And so, this time away gave me pause to consider how I spend my own time. Do I spend my time doing good? Or do I dwell on the negative? Do I give thanks to God each day for the blessings he bestows? Or do I complain about all the things that need to be better? I know where I need work...what about you?

As always, please be patient with me this week as I try to catch up from being away. Thanks to the tremendous staff and my brother priests and deacons, it won't be too bad! Glad to be back!

Peace always,

Fr. James Michael Jankowski  
Pastor

## LIVE THE LITURGY

### Inspiration for the week

When we lose our ability to trust, we become afraid. When we are afraid, we may begin to grumble and question whether where we are is where we need to be. For us who have faith, we even question whether God is who God says He is. Trust is so important to our success on our journey. Often, the road of our lives can become a bit treacherous. We may find ourselves feeling more unsettled than comfortable and less fulfilled than we would like to be. As much as we try, the pieces of our puzzle don't quite fit together as they ought. We wonder if we will ever experience happiness again. Then, something reminds us that God is very much present in this mess we call life. God is still bringing hope out of despair and life out of death. After all, God is the true bread that comes down from heaven to give life. All that is necessary is for us to trust in this truth, even when we may be lacking in some of life's essentials. The God who gives life is the same God who sustains it. He is also the same God who assures us that we will not perish.

## GOSPEL MEDITATION

### 18TH SUNDAY IN ORDINARY TIME

#### A Deeper Understanding of Scripture

"You cannot see the forest for the trees" is a widely known saying that can bring wisdom to our understanding of our journey. Often, our sight becomes limited to what is immediately before us. We lose touch with lessons and experiences from the past and promises and hope for the future. As human beings, we have the privilege of being able to choose things. What I like and don't like, want, and don't want can be major preoccupations of our minds and hearts. Our preferences and desires begin to define us more than the simple fact of our being. Who we are matters more than what we are or what we have. If we don't move beyond the external and superficial stuff to what really is of essence, we risk becoming very unsettled, disorientated, angry, and unhappy. We fail to see the bigger picture of hope and promise that lies ahead and the Divine Presence that has sustained and carried us before.

We like it when the "now" time of our lives satisfy us. Even the people who witnessed Jesus feed the five thousand got confused and distracted. It felt good when thousands of people were able to eat. They wanted to know what they could do to get this to happen again! But Jesus quickly reminds them that this is not the point of this sign. As much as the now time of our lives is of concern, it is not what is ultimately important. We need to learn the difference between being and doing, drawing more strength from who we are and who God is rather than what is happening around us and the choices we can make. Jesus is the true bread that came down from heaven. Jesus is the very incarnate presence of God who sustains life and assures us that we will not perish. This is not easy to understand and feel. We have to practice being in the presence of ourselves, others, creation, and God. We are brought to a holy place when we encounter the sacredness of being. This is real prayer.

Then, we learn to trust. It is when we cease trusting that we start to become afraid, uncertain, apprehensive, and doubtful, and overly self-concerned. We even start to grumble. God has our back. That is the essential powerful message of the living bread come down from heaven. God, who is alpha is also omega, the beginning and the end, and has everything in between in his care as well. A woman once remarked that her most powerful God moment happened when she and her husband cuddled with their new baby for a time. Without exchanging words and using only the affection communicated through sight and touch, they rested in being with each other. This brought them to the sacred, where they realized that a greater Being was with them. It was real. They knew that they were part of something bigger, intimate, and profound. When we rest in the Living Source of life, we will find that our souls are no longer hungry or thirsty.

## QUESTIONS OF THE WEEK

### Reflect and Respond to Scripture

#### First Reading:

Early in their Exodus journey, the Israelites expressed fear and frustration to Moses. God heard and responded to their "grumbling" by sending bread from heaven. When have you experienced God answering your plea for help?

#### Second Reading:

Paul told the Ephesians that as believers in Christ you should "put away" the bad parts of "your former way of life." How have you done this in your life as a believer in Christ?

#### Gospel:

We hear today the introduction of Jesus' extended "bread of life" discourse. In referring back to the ancient Israelites who ate "manna" (bread) in the desert, Jesus tells the crowds: "I am the bread of life." How would you explain to someone how Jesus sustains you?

©LPi

## WHY DO WE DO THAT?

### Catholic Life Explained

**Question:** What can I do to help our family practice our faith each day?

**Answer:** Some families practice their religion together as just another event on their schedule: go to church, observe Lent, help at the parish picnic, go to a meeting, volunteer time, make your confession, use your envelope... But the focus needs to be on who we are—God's people, in relationship with him, loved, forgiven, and redeemed, and called to live and proclaim the Gospel. Our awareness of God's presence and our sense of mission are supported by the daily rituals, celebrations, and traditions that help us stay focused. Sharing our faith strengthens us and clarifies the beliefs and values of Christian living.

Daily family practices include time for prayer—before meals, before bed, before important meetings and activities. Attend Sunday Mass together and discuss the homily afterward. Create family celebrations for holy days and holidays. Make religion a regular part of your discussions. Include others, especially the elderly and the less fortunate, in your activities and charitable efforts. By applying the virtues of faith, hope, and love to each day, faith becomes part of who your family is. It influences how you act towards others, what you value, and how mindful of God you are. Faith is the leaven of life that helps all of us rise to our calling and dignity as God's people.

**Practicing Graciousness in the Desert**

Looking back over my journey of parenthood, I know there were days when I traveled the extra mile for my children. I made their toast the way they like it, let them play in the park an extra ten minutes, or let them go to the movies with their friends and I finished up the chores on my own. And then, it happened: the attitude. The request for the smallest thing from one of them is met with disdain or bewilderment.

Sometimes you can be made breathless with the ingratitude of another person who takes so much and with so little shame, only to scoff at the idea that they, too, give even the smallest amount.

But if we're being honest with ourselves, we will admit that we do the exact same thing to God. Haven't we all been the Israelites in the desert at one point or another? God has parted our Red Sea in some way. He's led us out of some great trial, given us some great blessings. But then we run into a little resistance somewhere along the way and we throw up our hands. How could you do this to us, Lord? How could you ask this of us? No, I can't go any further. No, I won't do any more.

Persisting in the blindness to the many ways God continues to protect us is nothing short of a temper tantrum. It robs our Everyday Stewardship of its graciousness, of our ability to accept with joy the trials of life because we are also constantly aware of its blessings.

# UP ON THE ROOF

Unless you visit the church during the week, you most likely won't notice the work being done to replace the damaged and deteriorated original roof over our campus buildings. Commercial Roofers, Inc., has been working diligently on the school and parish hall and will soon begin work on the church.

Replacing the roof and irreparable air conditioning units throughout our property were two deferred maintenance needs identified in our **HONORING our PAST, EMBRACING our FUTURE** Capital Campaign, and we are happy to report the work on these projects is well underway!

To date, the campaign has generated just over \$2.5 million in pledges toward our original \$4.5 million

goal, and \$1.6 million of those pledges have been paid in full. Through campaign contributions and pledge payments we were able to pay off an \$820,000 construction loan last year—a goal our parishioners ranked as the highest priority of the campaign. Addressing deferred maintenance needs was also a high priority, and we are excited to see how well work on the roof is progressing.

The overall cost of this current project is approximately \$1.5 million. Your continued pledge payments and support of our campaign will help ensure this project can be paid for without depleting our savings. **Thank you for your generosity!** Stay tuned for more updates!

## Baseball and Shakespeare...A New Tradition?

Every July, with the exception of 2020, of course, our parish attends the Utah Shakespeare Festival. We jump in a bus and head up to Cedar City for the day to enjoy the arts and the camaraderie of our fellow parishioners. As you can see from the pictures below, this past July 21 was no exception. With Fr. Shawn and Fr. Tom leading the way, it was an exceptional day!

## SEAS FELLOWSHIP

# SEAS FELLOWSHIP

## And There's More...

This year, our Pastoral Associate of Family & Parish Life Maureen Sisto, added another fun outing to the July calendar—a day at the Las Vegas Ballpark! SEAS was well represented, 106 strong, as we watched the LV Aviators defeat the El Paso Chihuahuas on Friday, July 16. We hope more of our fellow parishioners and families will join us at future events!

## Summer Bible Study “Living the Beatitudes” Continues the Week of August 2

### Topic: “Blessed are the Merciful”

In this beatitude, Jesus challenges us to be people who extend mercy, love and forgiveness to one another. The character Jean Valjean (from the movie *Les Miserables*) will be our guide as we explore what it means to be people who can forgive and accept the forgiveness of others. This class will be held on Monday, August 2 (6:30pm - 8pm) and repeated on Wednesday, August 4 (9:30am - 11am). Come to the parish hall classrooms—no cost, no registration. Questions? Contact Marcie Wilske at 702-804-8370 or [mwilske@seaslv.org](mailto:mwilske@seaslv.org).

### Mass of Sending Forth for Seminarians

Bishop Thomas and the Vocations Office invite you to our annual Mass of Sending Forth for the Diocese of Las Vegas Seminarians right here at SEAS on Monday, August 16 at 6:00 p.m.

We will also be celebrating the Rite of Candidacy—an important step toward Holy Orders—with two of our seminarians! Afterward, there will be a reception in the parish hall. All are invited. And, as always, please continue to pray for all of our seminarians and all who are being called to vocations in our diocese.

## NEW Bible Study Coming in September:

### Women in the Old Testament

While the men of the Old Testament often garner the most attention, the women of the Old Testament also have much to share. They are mothers and wives, queens and slaves, prophets and warriors, powerful women and victims—each playing a powerful role in God’s story of salvation found in Sacred Scripture. Sessions for this 10-week study begin the week of September 13, and will be held Mondays (6:30pm-8:00 pm) and repeated Wednesdays (9:30am-11:00am) in the parish hall classrooms. Wednesday sessions will also be live-streamed. The cost of \$25 includes a commentary and study guide. Register at [seaslv.org](http://seaslv.org) or in the gift shop. For more information, contact Marcie Wilske at [mwilske@seaslv.org](mailto:mwilske@seaslv.org) or 702-804-8370.
