PARISH BIBLE STUDY PROGRAM 2024**

***THE INFANCY NARRATIVES***

The prologues to the Gospels of Matthew and Luke, otherwise known as the Infancy Narratives, contain some of the most cherished passages in all of Scripture. These stories have influenced everything from sacred art to modern pop culture, inspiring the imagination of all who read them. Although we refer to these prologues as infancy narratives, they do not actually give us information about Jesus' infancy and childhood. Rather, they seek to answer the question, "Who is Jesus of Nazareth?" The infancy narratives show how Jesus was of God and from God from the moment of his conception. He is the fullness of God's saving message ... a message that will be more fully developed in the rest of the Gospel. Classes will be offered on Monday evenings (6:30-8:00 pm) and repeated/livestreamed on Wednesday mornings (9:30-11:00 am). Cost: \$30.00 for participant study materials. Register in the Sursum Corda gift store or at [www.seaslv.org](http://www.seaslv.org). For more information contact Marcie Wilske (702-804-8370) or ([mwilske@seaslv.org](mailto:mwilske@seaslv.org)).
